ADVICE

From Students

“Don’t be afraid to talk to companies that don’t necessarily have positions open for what you are looking for. It is good to make initial contact with recruiters in case they are hiring in the future.”

– Senior

“Do not be nervous for it! This was my first time attending it and I really advise going to the first-timer orientation. They helped ease my nerves a lot. Overall, everyone there was extremely nice and willing to talk to you.”

– Sophomore

“Come prepared with specific questions for companies. Dress your best and act with confidence.”

– Senior
