1

"Practice interviewing and ask for feedback to conclude."

2

"Be more open to substitute teaching opportunities, these on the job experiences are influential to school districts and employers."

3

"UD students need more urban experience when completing their field observations and/or student teaching. They should also become more aware of the local schools in the area, whether private, public, or charter."

4

"Research the district you're choosing to interview with for consideration for future employment."
