

# Song Selections for Weddings within the Chapel of the Immaculate Conception at UD

*Revised September 2020*

The Chapel features a Rodgers 3-Manual Digital Organ as well as a 6'2" Kawai Grand Piano

Once again, congratulations on your engagement! We are excited that you have chosen the Chapel of the Immaculate Conception for your wedding liturgy. The celebration of the sacrament of Holy Matrimony is an important moment for you in your faith journey. We look forward to assisting you in the sacramental preparation process, as well as planning for your special day. The purpose of this document is to aid in the selection of liturgical music for your celebration.

The role of music within the wedding liturgy, as with all other liturgical celebrations, is to praise and glorify God through the liturgical ritual. Specifically at a wedding liturgy, we are called to reflect upon God's love for us reflected through the love of the couple getting married. Therefore, of primary consideration when selecting hymns for your wedding and prelude is the liturgical significance of the ceremony and celebration of the sacrament of marriage. As such, all music selected must focus on the glorification and praise of God above all else. Of course, this is not a complete list of possibilities- please contact Scott Paepow, Campus Minister for Liturgical and Pastoral Music at the University, with any questions.
