## SERVING THE COMMUNITY AND YOU

The Public Safety Advocate Program is a UD Police Department initiative to enhance relationships and work on 21st century policing. Public Safety Advocates (PSAs) are students who have been sworn into the department as civilian community engagement volunteers.

The goal of the PSAs is to assist the Community Engagement Officers in building cooperative relationships and comfort between students and police.

The PSAs are supervised by Officer Orrill and are present at community engagement events. PSAs also hold their own events and activities around campus.

The University of Dayton Police Department currently has 8 full-time sworn PSAs. If you are interested in becoming a PSA please contact: [udpublicsafetyadvocates@gmail.com](mailto:udpublicsafetyadvocates@gmail.com)

The University of Dayton Police Department focuses on community involvement and engagement to build partnerships and cooperation.
